

Richard Bradley

Partner – Advisory

Role

Richard Bradley is Partner and Co-Lead of the Advisory practice at Grant Thornton Switzerland/Liechtenstein.

Professional experience

Richard co-leads the Advisory practice at Grant Thornton Switzerland/Liechtenstein, serving clients across insurance, life sciences, manufacturing and financial services. He works with local teams and specialists from the Grant Thornton Advisors platform and the wider Grant Thornton network to deliver multidisciplinary solutions.

Richard has more than 20 years of management consulting experience working for clients in the Industrial Products, Medtech, Consumer Business and Agrochemicals. Before joining Grant Thornton in November 2026, he was a partner at leading management consultancies. He is an expert in technology enabled business transformation.

Professional qualifications and memberships

Richard holds a BA in International Economics with French from the University of Leeds.

Languages

Richard's native language is English, with fluent French and conversational German.
