

Christian Reichert

Senior Manager – Tax

Role

Christian Reichert is Senior Manager of the tax department in Liechtenstein.

Professional experience

Christian Reichert has more than 7 years of professional experience in tax consulting. His consulting focus lies in the areas of national and international tax planning in Liechtenstein and Switzerland as well as the development of individual foundation solutions for entrepreneurs.

Before joining Grant Thornton Switzerland/Liechtenstein, he worked in various start-ups and family-owned companies in Germany, China, Liechtenstein and Switzerland.

During his time at the University of Liechtenstein, he also worked at the Chair for Tax Management and the Laws of International and Liechtenstein Taxation of Prof. Dr. Martin Wenz.

Professional qualifications and memberships

Christian Reichert holds a degree as Certified Liechtenstein Fiduciary Expert and successfully passed the Liechtenstein fiduciary examination (Treuänderprüfung) in 2021. In addition, he holds a bachelor's and master's degree in economics.

Languages

In addition to his mother tongue German, Christian is fluent in English.
